

INTRODUCTION FOR “BILL AND HILLARY”

Ladies and gentlemen, our industry is increasingly impacted by government regulation. As an organization, we seek ways to improve our business while dealing with the reality of today’s political climate.

So, it is with great pride that we are able to introduce our special guests. Our guests have over four decades of experience in state and federal government. They are more than merely politicians. They are authors, activists, and leaders.

For scheduling purposes, as well as obvious security reasons, we have waited until now to reveal our guests identity or involvement with our program.

They’ve taken time off the campaign trail to be here with you. So please give a warm welcome to New York’s favorite senator and America’s former president: Bill and Hillary Clinton
